May'22 - Jul'23

Responsibilities

- Edited and delivered high-quality videos for multiple series, meeting strict deadlines and quality standards.
- Introduced a new editing technique, reducing video production time by and ensured timely delivery of projects, enhancing the overall efficiency of the video editing process.

Certifications

Machine Learning
Internship | Internshala.

2022 | 98-381 | MTA |
Introduction to
Programming using
Python by Microsoft

2022 | Web Development
Internship at Internshala

2019 | Introduction to
Programming Using
Python by Microsoft

Projects

Hashtone QR Code

Aug'20 – Sep'23

- A web application developed for generating QR codes using images provided by users.
- The QR code resembled the provided photo, offering a unique and personalized touch.

Attendsify:

Feb'21 – Aug'23

- Developed a web application tailored for educational institutions to manage student attendance.
- Utilized QR codes for tracking attendance, facilitating efficient monitoring of absentees.
- Led a team in an academic project to design a user interaction system, resulting in a functional prototype within a tight timeframe.

Rent All:

May'22 – May'23

- A social service website designed to simplify the renting process for various items.
- Covered a wide range of rental items including farming products, crockeries, home appliances, vehicles, etc.
- Led a team of four members in the development process.

FHSC:

Feb'22 – Jan'23

- Worked as a team leader and developed a website providing comprehensive summaries of cities, focusing on reviews of food centers, shopping complexes, hospitals, and malls.
- Personalized reviews and important information were included to enhance user experience.

Billing:

Jan'20 – Aug'20

- An Android application developed using Flutter for generating bills, specifically aimed for retailers.
- Facilitated bill generation on weekly, monthly, and ad-hoc basis, contributing to efficient billing processes for retailers.

Extra-Curricular

Paper Publication | 2022

- Published a paper entitled International Journal of Innovative Research in Computer and Communication Engineering.

Workshop | 2019

- Artificial Intelligence Workshop Ethical Edufabrica Pvt. Ltd.
